

July 9, 2016

Dear Ms. Davidson,

I would like to take this opportunity to thank you for all your hard work and dedication with the Christmas in July Program. I have been attending the event for the past 5 years and have always seen it getting better and better. Most of the time families are stretched for money to meet basic necessities of life and do not have the means to purchase clothing and school supplies for the children. The backpacks with basic supplies given out to the children at the event are a tremendous help. Bright smiles on the children's and parents' faces when they receive their back packs always means a lot to me and makes me feel proud of being part of the outreach.

The event itself is filled with activities for the children and the parents receive important information regarding the care and safety of their children. This information is vital to the well being of the homeless community and helps the clients in sustainable recovery. After lunch the Sunrise Police Department puts on a tremendous show with their K-9 dogs which the children thoroughly enjoy.

Thus, I look forward to the event this year and many more to come in the future. Thank you for all of your committee's hard work in organizing such a wonderful event.

Sincerely yours,

Shirley Favali, CAC, CM
